### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Resnick on 3/11/2005

The application has been amended as follows:

1. In claim 1 replace "n is 0 to 3" with "n is 2 or 3".
2. In claim 2, replace "composition" with "compound".

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

In view of applicants' amendment to claims 1-3, prior art rejection made in the previous office action made in the previous office action have been obviated. In addition, applicants' authorization to amend the claims as noted in the examiner's amendment has obviated potential 112 second and first paragraph rejections of claims 1-3. Hence, examiner noted that claims 1-3 are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
